AND BE IT FURTHER RESOLVED, That [insert additional statement if applicable — e.g., instructions to transmit copies to relevant individuals or agencies].

AND BE IT FURTHER RESOLVED, That [insert the severance or other optional clauses here if needed].

**Notes/Tips for Writing Resolutions:**

- Use “WHEREAS” clauses to build background and justification. These are factual or value-based assertions that logically lead to the “RESOLVED” action.
- Don’t legislate: Resolutions don’t amend code or change laws. Use them to express opinion, intent, or recognition.
- Avoid enforcement language. Use phrases like “encourages,” “supports,” “commemorates,” “calls upon,” or “recognizes.”
- Consider structure: Use no more than 3–6 WHEREAS clauses and keep RESOLVED clauses clear and concise. Each clause should contain only a single idea.
